

# Church Street & Yelvertoft Road, Crick

## What's Happening?

**What:** We will be carrying out micro-resurfacing work in your area within the next 2 weeks. Micro-asphalt significantly extends the lifespan of the road and is also an economical treatment.

**When:** Please refer to the yellow information boards which will be erected 5-10 days before work commences. Information boards will be located at either end of the works area. **You will receive another information fact sheet with more information 48 – 72 hours prior to the start of works.** Due to the nature and fluidity of work, we cannot confirm dates until nearer the time.

**Residents/Businesses:** Access will be maintained for residents when safe to do so. The site team will assist with access requirements. Please allow extra time for your journey.

**Emergency Vehicles:** We aim to maintain access for emergency vehicles when safe to do so.

**Pedestrians and Cyclists:** Footways will remain open for pedestrians. Cyclists will be asked to dismount and use the footway

**Public Transport:** Bus services will be notified of the works and will make alternative arrangements. Please contact your local bus provider for further information

**Towaway vehicles.** Parked vehicles in the works area will be towed by an approved contractor. Please do not park in the works zone.

## Contact

Phone- 01604 529700 (08:00 – 18:00 Monday – Friday)

Email-  
wnccommunications@kier.co.uk

Emergency Phone (Out of hours)-  
01604 651074
